

About the Club

Kawartha Retreads is a friendly group of motorcycle riders based in the Peterborough and Kawartha Lakes area. We ride for the enjoyment of the open road, the great scenery Ontario has to offer, and most importantly, the good company.

Our group includes a wide variety of bikes and riders, and we welcome anyone who enjoys safe, relaxed group rides with plenty of laughs along the way.

Whether you're new to group riding or have been riding for decades, you're always welcome to come out, meet the group, and see what we're all about
